ass'kum Dr Umar Azam, I have an enquiry regarding a recent dream of mine. My dream goes like this: I was waiting for arrival of my husband in a car and my ex school teacher approach me for a pen. I give him one and when he wished to returned it back I said " I give you ikhlas". I also turned down his offer of payment for the pen. I tried searching for meanings to the dreams and different answers.. 1> adultry 2> pregnant... Maybe you can give me a better interpretation, insyaallah..
