A lot of hard work has gone into this Site, so I want to know if readers find it useful and, if so, in what way.

do u think talking to him just once is of any harm. he just keeps insisting upon that I talk to him once . but I really doubt if he has something substantial to tell me. he has written sms and mgs to me about how he feels without me etc on emails and facebook. he's even attempted to call up several times I just dont take his calls . I dont know what to talk even if i took his calls. but sometimes i just feel like it that i should talk at least once what is it that he wants to talk about. what do u think? what does he want to say now when things have gone far so beyond control. and should i call him at all??!!

Important mainly because of your interaction with messages in the conversation.

Salam u can call up when ever u want today. how have u been doing? am trying now to connect to my old friends who stay here so that i can over come this situation. have also applied for phd in a university. want to look up more colleges in the comming week. i wanted to know if i were eligible to apply for PHd in something like what uve done dream interpretation after an MBA.. or is it a must to have an MA dergree for that. Manchester is where uve persued this right? Gud luck with Tasawar. stay connected.

in the day i dreamt that there is some party in aligarh(my native place and my sasural)i along with my mom and relatives attened the get to gether. anwar and his family also arrived there for the celebration. after the banquet i left with anwar's family to their residence in aligarh. while leaving i (could not tell/told i dont remember) my mom to come and pick me from anwar's place the next day. I entered my sasural (inlaws)house and went to the room i had spent my first night. I wore a peacock green shiffon shalwar suit and the arrangement of the room was somewhat change and cleaned .the room appeared more airy and spacious than it actually is. in the adjacent room anwars dad was speaking aloud to anwars mom so that i could hear .he spoke ill about me.(example. im not a nice girl and that they have spent so much on the wedding stuff like that etc..i dont remember the exact words but something of that sort and the tone was very harsh and bad.)meanwhile anwar washed his face and hands and sat on the bed with me. i looked up in a cdma type of phone which belonged to them, my moms number ,i was too nervous and could see. i tried to hide my blackberry from anwar so i sat on it. i saw it broke into two so i couldnt call mom from my cell either. then i asked anwar to dial and connect me to speak to mom. so he took that cdma phone and connected me to mum. then i isisted her to come the very same day and pick me up . she said that i had asked her to come the next day.then i saw mum, my chachi and phupi(dad's younger brothers wife and dad's real sister) came to my sasural(inlaws) with hand bags as gifts for every one. they gave one to my sis in law and mother in law and yet another one to a small girl then there was this golden copperish bag for me. when they gave me i told them that see despite of me comming back after 4 months to my inlaws after so much of trouble his dad speaks ill about me. u have brought so many gifts for me and them yet they will throw me out of their house the way they did earlier and will keep all my belongings with themselves. why did u bring so much mom?? my aunts and mum realize that things can never be better between sadia and anwar and the families. so they took me along with them, away from anwar again.

thanx

regards..

THE INTERPRETATION OF THIS DREAM IS STRAIGHTFORWARD: ANWAR'S FAMILY WRE USING YOU FOR MONEY ETC. BECAUSE YOU LEFT HIS FAMILY IN YOUR DREAM, IT MEANS IT'S ALL OVER.

I THINK YOU NEED TO ENROL IN AN ISLAMIC UNIVERSITY IN INDIA [THE UNIVERSITY IN YOUR NATIVE CITY] IF YOU WISH TO PURSUE A HIGHER ISLAMIC DEGREE: <http://www.amu.ac.in/>
